

ASPEN OCTOBER 2010

SUMMER WORK PROJECT RECORD SHEET

Project Name: Midnight Glading Project.

Project Number: 3

Project Location: Between Midway Road and Midnight.

Description: Create gladed skiing in this area by removing primarily dead and fallen trees.

Anticipated Activities: Felling, limbing, skidding, burning of slash, and re-vegetation.

Site Plan Sketch (or attach map): Map attached.

Comments: Takes place on private land. **This project was nearly completed in 2009; work this summer will involve more cleanup, burning and revegetation.**

Project Approval Date:

Project Completion Date: October, 2010.
