

GREETINGS!

We hope you've had a great summer. We've been very busy here at Sierra Summit and are happy to tell you that the new West Ridge expansion is under way and will be open this winter! The new triple Chair 7 is in construction right now and will service over 100 acres of terrain including 5 fully developed runs all west of Chair 2. The West Ridge offers plenty of exciting terrain for all ability levels with some of the best intermediate runs on the mountain. Moms, dads and kids will also find some family- friendly areas designated to a slower pace. We're very excited about another year of development and we're sure you'll find West Ridge and the new Chair 7 a great addition to the Sierra Summit experience.

EMPLOYMENT OPPORTUNITIES

We are looking for qualified applicants to be part of the Sierra Summit team during this exciting growth period. Positions are available immediately for construction workers and equipment operators. We are also accepting winter applications, so send us your resume or visit www.sierrasummit.com for our employment application. For more information, contact us at (559) 233-2500

LODGING

The Sierra Summit Inn is filling up fast so make your winter reservations today! Contact the Inn at (559) 233-1200 or email us at hotel@sierrasummit.com.

SPORT SHOP AND INFORMATION CENTER

The Fresno store is scheduled to open Sept. 13th. Avoid the last minute rush, purchase or pickup your season pass before the snow flies and before prices go up Nov. 13th.
